

Introducing our Board of Governors

The Board of Governors comprises a minimum of eight elected members including a Chairman who is appointed by the Archbishop of the Diocese. The majority of elected members are practising Catholics who bring to the Board an expert knowledge-base in a variety of fields such as Law, Education, Accounting, or Construction. A parent from both the Prep and High schools, the Head of School, and members of the Home School Association and Parish Council also sit on the Board.

As an advisory body meeting at least once a month, the Governing Board oversees the management decisions of the school. Operating under a set of By Laws, the Board's duties include advising the Head of School on matters pertaining to conduct, supervision and the efficient management of the school; approving regulations and appointments; ensuring compliance with the School's Inspectorate Report and the Education Law of the Cayman Islands; and promoting the total growth and development of students.

The Board of Governors is in the process of appointing some new members for the 2010-2011 school year. The entire Board will be introduced shortly, so please check back soon. In the meantime, please contact the school office or Fr. Paul Ballien.
