

External Examinations

The majority of St. Ignatius Catholic School Years 9-13 students sit external examinations every May and June. Checkpoint, International General Certificate of Secondary Education (IGCSE), and AS/A2 (A-Level) examinations are offered through Cambridge International Exams (CIE) and/or the Welsh Joint Examination Council (WJEC).

Students sitting Cambridge Examinations would benefit from visiting www.cambridgestudents.org.uk on a regular basis.

For further information or other general enquiries regarding examinations, please contact our Examinations Officer, Miss Dominique Chenier, dominique.chenier@st-ignatius.com .
